PERSONAL SKILLS

Mother tongue(s) Arabic

Foreign language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C1	C1	C1	C1
Russian	A1	A2	A1	A1	A1
German	A1	A1	A1	A1	A1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills I have very good communication, interpersonal relations and leadership skills developed through my long experience with clients and working with teams at Orjwan, CMLC, AMANSEC and different workshops participated in.

Job-related skills I'm a hard worker, self-learner, very responsive to critical task assigned to me. Very adaptable to new work conditions and changes, such as surrounding environment, tasks, clients. I'm also very productive in team work.

My self-learning skills have developed my research abilities to solve and find solutions to problems encountered me through my work.

- Other skills**
- I have interests in Software Engineering, Web Applications and Services, Data Mining, Big Data Analytics and related Information Systems, Machine-Learning, Business Process Management and Virtualization.
 - I love sport and swimming and I practice almost every day. I also love voluntary work and participated in many in the last few years.
 - I would like get my PhD in Big Data and BI. I would like also to work in a global corporation that has great goals and good teams, hoping to work together for a better world.

ADDITIONAL INFORMATION

Publications Studying Academic Indicators within Virtual Learning Environment Using Educational Data Mining.
Authors: Eid Aldikanji and Khalil Ajami. **DOI:** 10.5121/ijdkp.2016.6603

Professional Experience since 2007

Server management and network infrastructure

- CentOS – RHEL – Windows Server
- Panels like Plesk, CPanel, Webmin, Virtuozzo
- Virtualization: vSphere, vCenter, ESXi, VMWare Workstation, Hyper-V
- Web & Mail servers: Nginx, Apache, Postfix, Outlook, IIS
- Cisco Routers & Switches [Basic Experience]

Programming Languages: Php, C#, Java, JavaScript, Linux Shell
 Frameworks: Yii, Yii2, Laravel, MVC / .NET, Entity, WordPress, JQuery
 RDBMS Systems: MSSQL Server, MySQL, Oracle
 Familiars with: Prolog, C++, Python
 Familiar with working on Version Control Systems: MS TFS, Git, GitHub, BitBucket
